Community Living Standards

YWAM Lausanne is for Christians who are committed to the Great Commission (Matthew 28:18-19), which includes living a godly life worthy of example. Your time here will be enjoyable, rewarding and challenging. We are committed to helping you grow as a disciple of Jesus and we look forward to your being here. Being a disciple of Jesus includes taking responsibility for your life and conduct.

As we read the Bible, there are guidelines for those conducts that are "absolute," such as the Ten Commandments. However, there are areas that are not so clearly defined, and this is where we run into "cultural sins" such as Paul describes in Romans 14. These are situations relative to the way we have individually been taught, which may or may not be considered as a sin to others. We know that only God can judge the heart; but depending on the ways in which we were raised and what our parents, pastors, and other authority figures taught us, these issues can often be quite sensitive.

Alcohol and Tobacco

Approximately 90% of the evangelical community of the world (Africa, Asia, and the Americas) considers alcoholic drinks and tobacco products totally off limits. Often in these contexts, alcohol and tobacco use is viewed as a sign that someone either does not know God or is turning away from Him. God has blessed YWAM Lausanne with a variety of people coming from many cultures, denominations, and backgrounds, so it is important that as a family we understand and honor one another in our conversation and actions.

While you are here in Switzerland and on outreach, we ask that you take the most conservative view in order not to offend the largest percent of believers internationally. Whatever your personal conviction may be, we ask that you refrain from drinking alcohol and using tobacco products during your school. This is not meant to be legalistic, but to live by the law of love.

Therefore, if you do have a dependency on alcohol or tobacco products we would ask that you quit before your time with YWAM Lausanne. The use of these products during your school can be grounds for dismissal. Illegal drug use is strictly prohibited. The use of illegal drugs is grounds for immediate dismissal. If you have any dependency on these we ask that you seek professional help and apply for your school at a later time.

Exclusive Relationships

This will be a very special time for you, where you can focus on God and build excellent friendships with both sexes that will last not only for a weeks - but for a lifetime. To remain focused through the duration of the seminar, we ask that no "boyfriend/girlfriend" relationships be developed.

If you are able to refrain from the use of tobacco, alcohol and exclusive relationships for the duration of your seminar please sign the Community Living Standards section on page 5. If you have any questions or if you have trouble understanding anything in this document then please feel free to contact us.
